MEMORANDUM FOR: Director of Central Intelligence

FROM:   
Acting Legislative Counsel

SUBJECT: Meeting with Representative Joseph L. Fisher  
(D., Va.) on DIA building

1.  Action Requested: Your guidance on timing for meeting with Representative Joseph L. Fisher (D., Va.) and Deputy Secretary of Defense Duncan on DIA building.

2.  Background: Per your memorandum for the record of 9 November 1978, Paragraph 6, we are prepared to contact Representative Fisher and ask him to meet with you and Deputy Secretary Duncan to discuss locating some DIA elements at Langley. However, we need to know whether you want us to set up this meeting before you have had a chance to look at the information you have requested from the Office of Logistics and whether Duncan's participation in this meeting is firm enough to mention to Mr. Fisher.

3.  We understand there are still a number of considerations to moving DIA elements out to Langley, including what DIA elements are likely to come out here and whether the construction will also include new space for CIA. The question is: do you want to have time to consider these matters before talking to Mr. Fisher. As things stand now, the Logistics material will probably be delivered to you by Monday, 20 November. We can invite Mr. Fisher out here for sometime later that week or we can hold off until you have seen the material and confirm that you want to meet with Mr. Fisher.

4.  The other question is whether Duncan's participation is firm enough so that we can mention it to Mr. Fisher or whether we should check back with Duncan's office. Here again, you may want to see the Logistics material.
